Automation

One Remote
Every Application
Total Control

Shyft Automation

Features

Comprehensive Motor Range	Tube and Curtains Motors
Bi-Directional feedback	LCD screen remote control display Motor battery status and shade position
Direct Connect	No Hub Required
Built in Lithium-ion battery	Rechargeable Remote USB-C with USB-C Charging port
Function Lock (Child Lockable)	Ease of mind with Lockable Motor setting function.
 matter Connectivity	Ready to connect direct with: Google, Alexa, Apple & Smart Things.

One Remote
Every Application
Total Control

Motor Catalogue

Blind Motors

	Torque	Power	Speed	Features
25mm Internal Battery Lithium	1.1 Nm	USB-C	20 RPM	Bi Directional Remote & Motor
25mm Internal Battery Lithium	2 Nm	USB-C	20 RPM	Bi Directional Remote & Motor
35mm Internal 240v 0.3m Molex Cable from Motor Head	5 Nm	3-Core Cable	20 RPM	Bi Directional Remote & Motor

Curtain Motors

	Torque	Power	Speed	Features
Internal Battery Lithium	1.2 Nm	USB-C	80 RPM	Bi Directional Remote & Motor
Internal 240v Top mounted Molex Cable	1.2 Nm	3-Core Cable	80 RPM	Bi Directional Remote & Motor
Internal 240v Top mounted Molex Cable	2 Nm	3-Core Cable	80 RPM	Bi Directional Remote & Motor

Outdoor Blind Motors

	Torque	Power	Speed	Features
45mm External Battery Lithium	20 Nm	USB-C	12 RPM	Bi Directional Remote & Motor Obstacle Detection
45mm External 240v 0.3m Molex Cable from Motor Head	20 Nm	3-Core Cable	17 RPM	Bi Directional Remote & Motor Obstacle Detection
45mm External 240v 2.5m Molex Cable from Motor Head	20 Nm	3-Core Cable	17 RPM	Bi Directional Remote & Motor Obstacle Detection
45mm External 240v 0.3m Molex Cable from Motor Head	50 Nm	3-Core Cable	12 RPM	Bi Directional Remote & Motor Obstacle Detection
